NAME _____

THE ONE SMART PIANO CLASSROOM

Future of Music Education

The ONE's music education is happier, more efficient, and more comply with kids' nature.

The ONE Smart Piano Classroom is a real-time interactive smart instruction that allows every kid to enjoy their piano and music. Teachers will teach kids music knowledge in an entertaining environment and inspire kids' creativity during class. And there's interactive piano sparring system to accompany the kids after class.

THE ONE MUSIC GROUP

The ONE Music Group introduces quality musical instruments that makes learning faster, easier and more enjoyable for all ages.

We' ve created the world' s first and only Apple MFi-certified smart piano that teaches you how to play in an easy and fun way.

OUR MISSION

50% of Americans receive formal music instruction at some point during their lives, but only 12% actually continue to play as adults. We' re changing these statistics and improving music education growth.
